LIVE LOVE LAX GIRLS FALL FESTIVAL FORMAT & RULES:

Timing: Two 20-minute halves, running clock, with a 2-minute half time and 3 minutes between games.

We ask that you leave the field following your game to allow for the next contest. All teams should be warmed up and ready to take the field for the next game.

There will be one central horn used for timing.

- One horn to signify the beginning of the game.
- One horn to signify the beginning and end of halftime.
- One horn to signify the end of the game.

Rules: Live Love Lax Fall will follow all 2024 US Lacrosse & NFHS Rules with the following tournament specific modifications:
** There are NO timeouts – during an injury timeout, the clock will run **

Score keeping: There will be a flip chart and score sheet on all fields. Officials will record the scores and coaches will sign off on them. Coaches are responsible for the flip chart. All official scores will be kept at tournament headquarters.

8-meter shots will be played out if the horn sounds for the end of the game or half. If the 8-meter is already in play when the game horn sounds, then the game is done at the time of the horn.

If a shot is in flight and was released from a stick prior to the horn and goes in the goal – goal is good (same ruling as USL).

Alternate possession – The team listed first on the schedule receives the first alternate possession.

1 Yellow card – the player must sit for 2 minutes, running clock, the official will keep time.
2 Yellow cards – the player must sit the remainder of the game. And may return to the next game.
RED card (Player) – The player must sit the remainder of the game and the NEXT game.
